**TWENTY-FOURTH EDITION
BROCKPORT HIGH SCHOOL
BROCKPORT, NEW YORK**

ALMA MATER

Time passes by; years, how they fly,
Happy School days will sometime be o'er;
Love fills each heart, though we must part
With the friends and schoolmates we adore;
Honors we've won, duties well done,
Ready now, whatever may befall —
Mem'ry shall hold for aye
Scenes of our yesterday, and the friends
We love the best of all.

Chorus

Three cheers to you, Brockport, to you;
Three cheers we're always proud of you;
We stand united, no duty slighted,
Our service plighted, too;
Love for our colors as they fly
Deep in our hearts will never die;
No matter where we be, on land or far at sea,
We'll ne'er forget you, Old High!

**Ken
Bowman**

**Exchange
Student
To
Germany
1966**

From July, 1966 to January 1967 Ken was Brockport Central's exchange student to Germany. Ken stated that the sojourn was a wonderful and stimulating experience which was made possible by the support of the Brockport students.

After a month-long bicycle trip through Finland, Ken went to Hermannsburg, a small town near the center of the triangle formed by Bremen, Hamburg, and Hanover. There he stayed with a native family and attended the "gymnasium" or high school. His family was eager that he see as much of Germany as possible, so trips were arranged to Berlin, the Rhine and Mosell Valleys. Throughout his five-month stay in Hermannsburg, he conversed with the German young people. This provided for the exchange of opinions which is so vital for a program of this nature.

Haavard Røyne Alias Howie Rain From Norway

Howie came to the United States on the student boat from Oslo in August and is spending the year with the Burke family on South Avenue.

Howie's home is located in As, Norway where his father is assistant professor at the Agricultural School. He has two brothers and two sisters.

Howie attends a ski High School in Norway for six days a week. In two years he will graduate and has plans on becoming a doctor. The "ambassador" to Brockport enjoys photography, math, woodcutting, and classical works for the piano. He is an enthusiast in politics and very active in soccer. In Norway he worked especially hard in the downhill in Slalom and received second place in the event. We at Brockport appreciate his interest in skiing and his help in forming a Ski Club here.

When Howie returns to Norway in August, he assures us that his memories of Brockport will never be forgotten.

JO-ANN GIANFAGNE

As one of the 1966 Brockport Community Ambassadors, I had the opportunity to spend my summer in Reims, France. I lived with two different French families for two weeks, the Durands and the Mayettes. I soon became a real member of both families and became very fond of their culture.

It was in Reims that we visited the many historic sites of the city and the largest champagne cellars in the world. It was also in Reims that my stay came to a close; before the American experimenters and one member of each family went on a twenty-two day camping trip throughout the French Alps. As our camping trip came to a close we bade farewell to many of our closest friends of the summer. Soon all of the experimenters headed their way to the fascinating city of Paris. My experiences in France will never be forgotten and will always be very much part of my life.

CAROL MATTISON

During the summer of 1966, the Community Ambassador program gave me the opportunity to represent Brockport in the Netherlands. I lived in Southern Holland as a member of the vanDinters family. Besides my "moeder" and "vader", I had two sisters who spoke English quite fluently. During my homestay with the vanDinters I was able to observe and become part of the Dutch culture. On an informal trip throughout the Netherlands, I came to know Holland as a country of contrasts; the traditional Holland with mills, wooden shoes and quaint homes and the modern Holland with modern architecture and a young generation with modern thinking. My entire experience in Holland deepened my thinking about a people and a wonderful culture.

THE ROAD GOODBYE

The road I took was named Goodbye
The path looked strange. I wondered why
It left familiar things behind.
A hand caught mine . . . I paid no mind.

The stranger never once did say
Just what had brought him on my way.
On we went, and some afraid
I wished I hadn't come, but stayed.

All the friends that I once knew
Took a road named Goodbye too.
There were no two roads just the same
Though all were called Goodbye by name.

The road went on; we went too,
And I was sad, for then I knew
That never could I be the same
Having walked down Goodbye Land.

And though I couldn't understand
We walked together hand in hand.
We said no words, but just walked on,
I thought of things now past and gone.

I thought of games I'd lost and won,
I thought of all things I'd done,
I thought of those I loved and cared,
Of times we'd had, of things we'd shared.

I thought of those I'd come to know.
Just knowing them — they'd helped me so.
I thought of things, of tears I'd shed . . .
Those same things now brought smiles instead.

The tasks I'd done, those left to do,
I wondered how I'd make it through
When something inside seems to say,
"The best you can from day to day."

The way was rough; I knew the score,
It never ends . . . there's always more.
But now I know that all in all
Each thing in its own place will fall.

I thought of all the happy days.
The sad ones now just seemed a haze,
And in a flash I came to see
How much the past had meant to me.

We walked along — I wondered where
The future led and what was there.
The past still echoed from behind
I was its, and it was mine.

But in my heart was still a fear,
And in my eye a shining tear,
Yet on my face there was a smile,
And we walked forward all the while.

I walked along the road Goodbye.
I looked back once . . . I heaved a sigh.
Then I remembered at my side —
My silent, but my constant guide.

The stranger's hand I felt in mine.
I looked into his face this time.
I asked his name — he turned just so,
He smiled and said, "I'm called Hello."
